

## Christian Eberherr

### Silver Medalist at EuroSkills Gdańsk 2023

Christian Eberherr, born in 2003, graduated from HTL Braunau in the field of Electronics & Technical Informatics with honors in 2022.

In September 2023, he, along with his colleague Lukas Dragoste, participated in the EuroSkills (European Championships of Professions) in Gdańsk, Poland, in the team competition „Entrepreneurship“ and, together with his schoolmate, won the silver medal.

Having previously worked as an application and system developer, Christian Eberherr is currently pursuing a degree in Computer Science at TU Munich since the beginning of the current academic year.
